HUSSEIN DEEB

Web Developer

📞 +961 71 994 952 @ hsendeeb2@gmail.com 🔗 LinkedIn:hsen deeb 🔗 github:hsendeeb 📍 Ansar,Lebanon

SUMMARY

Motivated and detail-oriented web developer with foundational skills in HTML, CSS, JavaScript, and Laravel. Passionate about building responsive, user-friendly websites and eager to gain real-world experience through a hands-on internship. Demonstrates problem-solving abilities, a strong work ethic, and a desire to learn from seasoned professionals. Excited to contribute to dynamic projects while growing technically and creatively within a collaborative team environment.
